Prayer, Healing, and You! *Explore how God's love brings healing*

Chagrin Falls: First Church of Christ Scientist, Chagrin Falls, will sponsor a free talk titled, "God's Love Answers All Your Needs" by national speaker Ricardo Saldivar on Tuesday, June 12, 7:30 p.m. at the Chagrin Valley Little Theater, 40 River Street, Chagrin Falls.

People everywhere are looking for solutions. The struggle for health, safety, and a better life concerns us all. Worldwide, people are turning to prayer for answers. Mr. Saldivar, says, "Each one of us can rely on God's love for healing. I've learned in my own life that I can always turn to God for help and guidance."

Mr. Saldivar's childhood growing up along the US/Mexico border was a rich blend of two cultures. He says that his experience taught him to treasure all people. In 2004, his desire to help others led him to become a practitioner of Christian Science healing.

"God's love for each of us isn't something far away or something we have to plead for," says Mr. Saldivar. "God's love is with us right now, right where we are. He is always tenderly taking care of us and as we understand this fact, it becomes apparent in our lives. This is the law of Love."

"The solutions we're looking for are found in a deeper understanding of God's loving, spiritual nature," says Mr. Saldivar. "Come and learn about the law of Love."

Saldivar's ideas are based on the teachings of Jesus as recorded in the Bible, and as discussed in *Science and Health with Key to the Scriptures*, by Mary Baker Eddy.

A member of the Christian Science Board of Lectureship, Ricardo Saldivar travels from his home near Chicago, Illinois, USA.
